### The A-la-Carte Menu

At Sense of Touch we understand that you will want flexibility in designing your Sparty, so here are some guidelines to help you get started;

**Treatment Cost:** Unlike most spas, we don't charge a premium for our treatments during a spa party. All treatments will be charged at list price. We do however require a 10% gratuity to be added to the treatment bill which will be paid in full to the therapists.

**Number of People:** To qualify as a Sparties, there should be a minimum of 6 people and a maximum of 20 people.

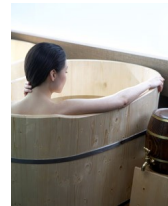

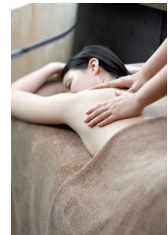

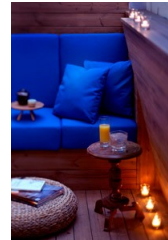

**Minimum Spend:** We require a **minimum spend of \$2000** on treatments. For a party of 8 people this would be **only \$250 per person**.

**Private Spa Usage:** All of our spas are available for private usage. Minimum spend will depend on which spa you require, which day of the week and time of day, and for how many hours you require the spa. Please email us directly to [enquiries@senseofouch.com.hk](mailto:enquiries@senseofouch.com.hk) for more information.

**Private Rooftop Usage:** Our LKF Spa has a private rooftop which is perfect for Sparties of up to 12 people. We supply an ipod docking station so you can bring your own music, while catering is available from Stormies. We'll waive the rooftop usage fee for a total treatment spend of \$3000 or more, otherwise there's a usage fee of \$150 per guest.

**Catering:** You can either bring your own or we can assist in arranging catering. At LKF Spa we partner with Stormies while at the other spas we can work with any one of a number of local F&B vendors. If you need us to arrange this, we'll add 10% handling charge to the list price charged by the caterers.

**Freebies:** We'll throw in a bottle of red or white wine for every 6 people in your group!
